INTERSTATE COMMERCE COMMISSION

LEASE AGREEMENT

dated as of March 1, 1978

between

ILLINOIS CENTRAL GULF RAILROAD COMPANY

and

THE CONNECTICUT BANK AND TRUST COMPANY,
not in its individual capacity, but solely
as Owner Trustee under a Trust Agreement
dated as of March 1, 1978, with
ITT Industrial Credit Company

LEASE AGREEMENT dated as of March 1, 1978, between THE CONNECTICUT BANK AND TRUST COMPANY, a Connecticut banking corporation ("Lessor"), not in its individual capacity but solely as trustee under a Trust Agreement (the "Trust Agreement") dated as of the date hereof with ITT Industrial Credit Company ("Owner"), and ILLINOIS CENTRAL GULF RAILROAD COMPANY, a Delaware corporation ("Lessee").

1. LEASE OF EQUIPMENT

Lessor hereby agrees to lease to Lessee, and Lessee hereby agrees to lease from Lessor, upon the terms and conditions hereinafter set forth certain railroad cars (the "Cars") (the Cars being hereinafter sometimes referred to as the "Equipment" and each such Car being sometimes referred to as a "unit" or a "unit of Equipment") described in Exhibit A hereto. Deliveries of Cars shall be in minimum groups of ten units, except for the final delivery. The aggregate cost for the acquisition, rehabilitation and delivery of all the Cars ("Lessor's Cost of Cars") shall not exceed \$3,595,760.

2. REHABILITATION OF CARS

(a) Lessor has agreed under a Hulk Purchase Agreement dated as of the date hereof (the "Hulk Purchase Agreement"), to purchase from the current owners thereof which are Trustees under existing Equipment Trust Agreements with the Lessee or Vendors under existing Conditional Sale Agreements with the Lessee (such Trustees or Vendors being hereinafter referred to as Vendors) the following used cars for the following aggregate purchase price:

<u>No. of Cars</u>	<u>Type of Cars</u>	<u>Aggregate Purchase Price</u>
140	70-Ton Boxcars	\$1,002,680

Such purchase price shall hereinafter be referred to as the "Cars Acquisition Cost". Such used cars shall be conveyed by the Vendors, as more fully set forth in the Hulk Purchase Agreement, to Lessor by bills of sale (the "Bills of Sale").

(b) Lessee, in the capacity of an independent

contractor (the "Contractor") has agreed under a Rehabilitation Agreement dated as of the date hereof (the "Rehabilitation Agreement") to rehabilitate for Lessor cars using, where possible, such parts as may be obtained from the used cars referred to in Section 2(a) above in order to produce the following cars for lease as units of Equipment hereunder at the following aggregate rehabilitation price:

<u>Number</u>	<u>Type of Cars</u>	<u>Aggregate Rehabilitation Price</u>
140	70 Ton-Box	\$2,595,080

Such rehabilitation price shall hereinafter be referred to as the "Rehabilitation Cost".

3. LEASE TERM

The term of lease under this Lease Agreement of each Car shall commence on the date of delivery of such Car to Lessee and shall end on January 15, 1994, unless sooner terminated as herein provided.

4. RENT, NET LEASE

Lessee agrees to pay to Lessor, as rental for each unit subject to this Lease, one interim rental payment payable on January 15, 1979, and 30 consecutive payments payable on each January 15 and July 15 in each year, commencing July 15, 1979. The interim rental payment payable on January 15, 1979, shall be in an amount equal to the sum of (a) .029208% of the Cars Acquisition Cost of each unit subject to this Lease, for each day elapsed from and including the date of payment of the Cars Acquisition Cost for each unit under the Hulk Purchase Agreement to but not including the Closing Date therefor under the Rehabilitation Agreement plus (b) .029208% of Lessor's Cost of Cars of each unit subject to this Lease, for each day elapsed from and including the Closing Date under the Rehabilitation Agreement for such unit to and but not including the date of such payment. The next 24 rental payments shall each be in an amount equal to 5.2574% of the Lessor's Cost of Cars of each unit then subject to this Lease, and the final 6 rental payments shall each be in an amount equal to 2.6287% of the Lessors's Cost of Cars of each unit then subject to this Lease. All rent and

other amounts due from Lessee to Lessor shall be paid to Lessor in immediately available funds on the date such payment is due, at Lessor's office at: One Constitution Plaza, Hartford, Connecticut 06115, Attention of Corporate Trust Department, or at such other place as Lessor shall specify in writing. In the event any rent or other amounts due hereunder shall not be paid promptly when due, Lessee shall pay Lessor, as additional rent hereunder, interest on any such overdue amount from the due date thereof to the date of payment thereof at a rate equal to the lesser of (i) 10.25% per annum or (ii) the maximum rate permitted by law.

This Lease is a net lease. Lessee's obligation to pay all rentals and other amounts hereunder shall be absolute and unconditional and, except as herein provided, Lessee shall not be entitled to any abatement of rent, reduction thereof or setoff against rent, including, but not limited to, abatements, reductions or setoffs due or alleged to be due by reason of any past, present or future claims of Lessee against Lessor or the Owners under this Lease; nor, except as otherwise expressly provided herein, shall this Lease terminate, or the respective obligations of Lessor or Lessee be otherwise affected, by reason of any defect in or damage to or loss of possession or loss of use or destruction of all or any of the units from whatsoever cause, any liens, encumbrances or rights of others with respect to any of the units, the prohibition of or other restriction against Lessee's use of all or any of the units, the interference with such use by any person or entity, the invalidity or unenforceability or lack of due authorization of this Lease, any insolvency of or the bankruptcy, reorganization or similar proceeding against Lessee, or for any other cause whether similar or dissimilar to the foregoing, any present or future law to the contrary notwithstanding, it being the intention of the parties hereto that the rents and other amounts payable by Lessee hereunder shall continue to be payable in all events in the manner and at the times herein provided unless the obligation to pay the same shall be terminated pursuant to the express provisions of this Lease. To the extent permitted by applicable law, Lessee hereby waives any and all rights which it may now have or which at any time hereafter may be conferred upon it, by statute or otherwise, to terminate, cancel, quit or surrender the lease of any of the units except in accordance with the express terms hereof. Each rental or other payment made by Lessee hereunder shall be final, and Lessee shall not seek to recover all or any part of such payment from Lessor or the Owners for any reason whatsoever.

5. PAYMENTS FOR EQUIPMENT

Lessor shall from time to time on or before August 31, 1978 (but not more than once in any week), make such payments as Lessee may request under a Certificate of Acceptance in the form of Exhibit B hereto (a "Certificate of Acceptance") for the rehabilitated cars under the Rehabilitation Agreement, subject to the conditions set forth in the Rehabilitation Agreement. Each such Certificate of Acceptance (except the last) shall cover not less than ten Cars.

6. ACCEPTANCE OF EQUIPMENT

Acceptance of a unit of Equipment by Lessee under a Certificate of Acceptance shall constitute Lessee's acknowledgement that a unit of Equipment is in good order and condition; is of the manufacture, design and capacity selected by Lessee and conforms to specifications acceptable to Lessee, is suitable for Lessee's purposes and is leased under this Lease. If Lessee has not accepted all of the Cars by August 31, 1978, then this Lease Agreement shall cover only those units of Equipment which have theretofore been so accepted.

7. DISCLAIMER OF LESSOR'S WARRANTIES

Lessee agrees and acknowledges that all units of Equipment have been or will be ordered and rehabilitated by the Contractor in accordance with Lessee's specifications and that LESSOR HEREBY DISCLAIMS ANY OTHER REPRESENTATION OR WARRANTY, EITHER EXPRESS OR IMPLIED, AS TO ANY MATTER WHATSOEVER, INCLUDING WITHOUT LIMITATION, THE DESIGN OR CONDITION OF THE EQUIPMENT, MERCHANTABILITY, OR ITS FITNESS FOR ANY PARTICULAR PURPOSE, THE QUALITY OF WORKMANSHIP OF THE EQUIPMENT OR CONFORMITY OF THE EQUIPMENT TO THE PROVISIONS AND SPECIFICATIONS OF ANY PURCHASE ORDER OR ORDERS RELATING THERETO, NOR SHALL LESSOR BE LIABLE FOR INCIDENTAL OR CONSEQUENTIAL DAMAGES (INCLUDING STRICT LIABILITY IN TORT). Lessor shall, at Lessee's sole expense, take all action reasonably requested by Lessee to make available to Lessee to the fullest extent possible any rights of Lessor with respect to the Cars under any express or implied warranties it may have under the Rehabilitation Agreement (including any warranties relating to any material acquired for the rehabilitation of the Cars).

8. LESSEE'S WARRANTIES

Lessee represents and warrants that:

(a) Lessee is a corporation duly organized and existing in good standing under the laws of the State of Delaware.

(b) Lessee is duly authorized to execute and deliver the Hulk Purchase Agreement and this Lease Agreement, and is and will continue to be duly authorized to lease Equipment hereunder and to perform its obligations hereunder and thereunder.

(c) The execution and delivery of the Hulk Purchase Agreement and this Lease Agreement by Lessee, and the performance by Lessee of its obligations hereunder and thereunder, do not and will not conflict with any provision of law or of the charter or by-laws of Lessee or of any indenture, mortgage, deed of trust or agreement or instrument binding upon Lessee or to which Lessee is a party.

(d) The execution, delivery and performance of the Hulk Purchase Agreement and this Lease Agreement by Lessee and the consummation by Lessee of the transactions contemplated hereby and thereby do not require the consent, approval or authorization of, or notice to, any Federal or state governmental authority or public regulatory body. This Lease Agreement will be recorded with the Interstate Commerce Commission ("ICC") in accordance with Section 20c of the Interstate Commerce Act.

(e) Lessee's financial statement as at December 31, 1977, a copy of which has been furnished to Lessor, has been prepared in conformity with the Uniform System of Accounts for Railroad Companies prescribed by the ICC applied on a basis consistent with that of the preceding fiscal year and presents fairly the financial position of Lessee as at the date thereof, and the results of its operations for the period then ended, and since such date there has been no material adverse change in its financial position.

(f) The Hulk Purchase Agreement and this Lease Agreement are legal, valid and binding obligations of

Lessee enforceable in accordance with their respective terms.

(g) There are no pending or threatened actions or proceedings before any court or administrative agency which will to a material extent adversely affect the financial condition or continued operation of Lessee and its subsidiaries on a consolidated basis (except as previously disclosed in writing by Lessee to Lessor).

(h) The fair market value of the reusable component parts included in each used car to be purchased by Lessor under the Hulk Purchase Agreement and the Bills of Sale is not in excess of the Cars Acquisition Cost for such Car and the fair market value of each Car after the rehabilitation thereof shall be at least equal to the total of the Cars Acquisition Cost plus the Rehabilitation Cost for such Car.

(i) Each Car will constitute "new Section 38 property" within the meaning of Section 48(b) of the Internal Revenue Code of 1954, as amended, to the extent of the Rehabilitation Cost therefor.

(j) Each Car, on the date of delivery thereof, will have an estimated useful life of at least 20 years, and an estimated fair market value at the end of such lease term of at least 20% of the total of Cars Acquisition Cost plus the Rehabilitation Cost for such Car, without including in such fair market value any increase or decrease for inflation or deflation during the term of the lease for such unit of Equipment.

(k) The Equipment will not be used in connection with the performance of any prime government contract, or subcontract or purchase order thereunder, with respect to which the provisions of the Renegotiation Act of 1951, as amended, are applicable.

9. OWNERSHIP, LOCATION, USE OF AND LIENS ON EQUIPMENT

(a) The Equipment shall be the exclusive property of Lessor, and Lessee shall have no rights therein except the right to use it so long as Lessee is not in default here-

under. It is the intention of the parties hereto that the Equipment shall be and remain personal property and Lessee shall not permit the Equipment to become or remain a fixture to any real estate or an accession to any personalty not leased hereunder.

(b) Lessee agrees that the Equipment will be used solely in the conduct of its business, with due care to prevent injury thereto or to any person or property and in conformity with all applicable laws, ordinances, rules, regulations and other requirements of any insurer or governmental body (including, without limitation, any requirements regarding licensing or registration, or evidencing title to the Equipment, all of which shall be done in such manner as shall have previously been approved in writing by Lessor). Lessor, or any duly authorized representative thereof, may at its own risk and upon reasonable notice to the Lessee and during reasonable business hours from time to time inspect the Equipment and Lessee's records with respect thereto wherever the same may be located.

(c) Lessee agrees to comply in all respects with all laws of the jurisdictions in which the units may be operated, with the interchange rules of the Association of American Railroads, if applicable, and with all lawful rules of the Department of Transportation and the ICC and any other legislative, executive, administrative or judicial body exercising any power or jurisdiction over the units. In the event that such laws or rules require the alteration of the units or in case any equipment or appliance on any such unit shall be required to be changed or replaced, or in case any additional or other equipment or appliance is required to be installed on such unit in order to comply with such laws, regulations, requirements and rules, Lessee agrees to make such alterations, changes, additions and replacements at its own expense; and Lessee agrees at its own expense to use, maintain and operate such unit in full compliance with such laws, regulations, requirements and rules so long as the units are subject to this Lease Agreement; provided, however, that Lessee may, in good faith, contest the validity or application of any such law, regulation, requirement or rule in any reasonable manner which does not adversely affect the property or rights of the Lessor hereunder; and further provided, however, that subject to the provisions of Section 15 hereof any additions to the units which can be removed without material damage to the units shall be so removed and shall become the property

of Lessee on the termination of this Lease Agreement.

(d) Lessee shall not permit any lien, charge, encumbrance, security interest or other similar interest to arise or remain on any Equipment other than (i) liens placed by Lessor or liens of persons claiming against Lessor but not Lessee, which arise out of obligations which Lessee is not required by this Lease Agreement to pay or discharge, (ii) liens of current taxes not delinquent, (iii) inchoate materialmen's or mechanics' liens arising in the ordinary course of business and not delinquent, and (iv) any liens attaching to the leasehold interest of the Lessee under this Lease Agreement by reason of any existing or future mortgage to which the Lessee is a party covering substantially all of Lessee's railroad property.

(e) Lessee shall place and maintain on each side of each Car a notice (in letters not less than one inch in height) conspicuously disclosing Lessor's ownership thereof as follows:

"OWNED BY A BANK OR TRUST COMPANY, AS TRUSTEE, UNDER
A TRUST AGREEMENT AND SUBJECT TO A LEASE AND SECURITY
AGREEMENT FILED UNDER THE INTERSTATE COMMERCE ACT,
SECTION 20c"

or other appropriate words designated by Lessor, with appropriate changes thereof and additions thereto as from time to time may be required by law in order to protect the title of Lessor to such unit and the rights of Lessor under this Lease Agreement. Lessee will not place any such unit in operation or exercise any control or dominion over the same until such names and words shall have been so marked on both sides thereof and will replace promptly any such names and word or words which may be removed, defaced or destroyed. Lessee shall maintain and display in its usual manner on each unit of Equipment the serial and other identifying numbers, if any, set forth on the applicable Certificate of Acceptance. Lessee will not change the identifying number of any Car except in accordance with a statement of new identifying numbers to be substituted therefor, which statement previously shall have been filed with Lessor by Lessee and filed, recorded or deposited by Lessee in all public offices where this Lease Agreement shall have been filed, recorded or deposited. Except as above provided, Lessee, so long as this Lease Agreement shall remain in effect, will not allow the name of any person, association or corporation to be placed

on the units as a designation that might be interpreted as a claim of ownership; provided, however, that Lessee may cause the units to be lettered with the names or initials or other insignia customarily used by Lessee or its affiliates on railroad equipment used by them of the same or a similar type for convenience of identification of their right to use the units as permitted under this Lease Agreement.

10. MAINTENANCE OF EQUIPMENT

Lessee shall at all times keep the Equipment in good repair and efficient condition and working order, reasonable wear and tear excepted. Lessee shall supply all parts, service, and other items required in the operation and maintenance of the Equipment. Lessee shall not, without the written consent of Lessor, make any additions to the Equipment. All parts, replacements, substitutions and additions to or for any Equipment shall immediately become Equipment and the property of Lessor; provided, however, that, subject to the provisions of Section 15 hereof, any additions to the units which can be removed without material damage to the units shall become the property of Lessee on the termination of this Lease Agreement. Lessee assumes all risk of, and Lessee's obligations under this Lease Agreement shall continue unmodified despite, any loss, theft, destruction, damage, condemnation, requisition or taking by eminent domain or other interruption or termination of use of any Equipment regardless of the cause thereof.

11. EVENT OF LOSS

(a) Upon the happening of any loss, theft, destruction, damage, condemnation, requisition, taking by eminent domain or other material interruption or termination of use of any unit of Equipment regardless of the cause thereof (herein collectively called an "Event of Loss"), Lessee shall promptly make all repairs necessary to restore or repair such unit of Equipment so that the Equipment thereafter subject to lease hereunder is substantially equivalent to, and of a value not less than, the Equipment subject to lease hereunder prior to such Event of Loss; or, if in the reasonable opinion of the Lessee, such unit of Equipment cannot be so repaired or is permanently unfit for service on the next rent payment date following such Event of Loss, furnish Lessor with an affidavit of an officer of

Lessee setting forth the fact of such Event of Loss and pay to Lessor the Stipulated Loss Value (as defined in Exhibit C hereto, determined as of such next subsequent rent payment date) of such unit of Equipment, together with (i) any rent accrued and unpaid on such unit of Equipment to and including such rent payment date and (ii) any other amounts owing by Lessee hereunder, whether as additional rent, indemnification or otherwise. Lessor shall transfer to Lessee title to such unit of Equipment free of any liens or encumbrances created by or through Lessor. Upon such transfer the lease of such unit of Equipment hereunder shall end.

(b) When Lessee has fulfilled the requirements of paragraph (a) regarding an Event of Loss, Lessor shall (if no event of default, or event which might mature into an event of default, has occurred and is continuing) reimburse Lessee for its costs thus incurred to the extent of any proceeds received by Lessor because of such Event of Loss either under any policies of insurance provided for in Section 12 or as satisfaction of any claim (other than one to which an insurer is or may be subrogated) by Lessor against any person or persons liable in respect of such Event of Loss, after subtracting in each instance all costs and expenses, including (without limitation) reasonable legal fees and expenses, incurred by Lessor and not otherwise reimbursed by Lessee in respect thereto.

12. INSURANCE

(a) Lessee will cause to be carried and maintained at all times during the term of this Lease Agreement physical damage and liability insurance covering the Equipment, naming Lessor as an additional insured with respect to liability insurance and as an additional loss payee with respect to physical damage insurance, in such amounts and in such form as is commonly maintained on comparable equipment by companies similarly situated. Lessee currently maintains the insurance coverage described in Exhibit D. Such insurance policy or policies shall provide that all losses thereunder will be adjusted with Lessee or Lessor and will be payable to Lessor and Lessee as their respective interests shall appear.

(b) The policies of insurance required under this Section 12 shall be valid and enforceable policies, wherever any unit of the Equipment may be located, issued by insurers of recognized responsibility. Upon the execution of each

Certificate of Acceptance, and thereafter not less than 10 days prior to the expiration dates of any expiring policies theretofore furnished under this Section 12, certificates of insurance and satisfactory evidence of the payment of premiums thereon shall be delivered by Lessee to Lessor. Such policies may be blanket policies covering other equipment not covered by this Lease Agreement, provided that any blanket policy shall in an accompanying certificate of insurance or rider specifically designate the units of Equipment described in such Certificate of Acceptance as being included therein and covered thereby to the full extent of the amounts herein required and shall name Lessor as an additional insured party thereunder with respect to such units of Equipment. All such policies shall contain an agreement by the insurers that such policies shall not be canceled without at least 30-days' prior written notice to Lessor; provided, however, that such agreement for such 30-days' notice is obtainable through the reasonable efforts of Lessee; provided further, however, that if such agreement for such notice is not so obtainable, such policies shall contain an agreement by the insurers that such policies shall not be canceled without at least 10-days' prior written notice to Lessor. All such policies shall contain an agreement by the insurers that the insurer will give notice to Lessor in the event of nonpayment of premium by Lessee when due.

13. TAXES

Lessee agrees to pay and discharge (and does hereby agree to indemnify and hold Lessor harmless from and against) all sales, use, personal property, leasing, leasing use, stamp or other taxes, levies, imposts, duties, charges or withholdings of any nature (together with any penalties, fines or interest thereon) imposed against Lessor, Lessee or the Equipment by any Federal, state or local government or taxing authority upon or with respect to the Equipment or upon the purchase, rehabilitation, ownership, delivery, lease, possession, use, operation, return, sale or other disposition thereof hereunder or in connection herewith, or upon the rentals, receipts, or earnings arising therefrom, or upon or with respect to this Lease Agreement (excluding, however, taxes on, or measured by, the net income of Lessor imposed by the United States or the jurisdiction in which the principal office of Lessor is located) unless, and to the extent only that, any such tax, levy, impost, duty, charge or

withholding is being contested by Lessee in good faith and by appropriate proceedings. Lessee agrees to file, on behalf of Lessor, all required tax returns and reports concerning the Equipment with all appropriate governmental agencies and to furnish Lessor upon reasonable request a copy of each such return or report, including evidence of payment, within 30 days after the due date of such filing. To the extent that any taxes hereinabove referred to in this Section 13 are included in Lessor's Cost of Cars for any unit, Lessee shall not be obligated under this Section 13 for indemnification with respect to such taxes.

14. INDEMNIFICATION AND EXPENSES

(a) Lessee agrees to and does hereby indemnify and hold Lessor and its agents, employees, stockholders, officers and directors, harmless from and against any and all expense, liability or loss whatsoever, including (without limitation) reasonable legal fees and expenses, relating to or in any way arising out of the Hulk Purchase Agreement, the Rehabilitation Agreement, the Bills of Sale or this Lease Agreement, or the purchase, ownership, delivery, lease, possession, rental, use, operation, return, sale or disposition of the Equipment hereunder or in connection herewith (including, without limitation, expense, liability or loss relating to or in any way arising out of injury to persons or property, patent or invention rights or strict or absolute liability in tort). Lessor shall give Lessee and Lessee shall give Lessor notice of any event or condition which requires indemnification by Lessee hereunder, or any allegation of such event or condition, promptly upon obtaining knowledge (in the case of Lessor, actual knowledge by its trust office) thereof, and to the extent that Lessee makes or provides to the satisfaction of Lessor for payment under the indemnity provisions hereof, Lessee shall be subrogated to Lessor's rights with respect to such event or condition and shall have the right to determine the settlement of claims thereon, it being agreed that except to the foregoing extent, Lessor shall have the right to determine such settlement. Lessee shall pay all amounts due hereunder promptly on notice thereof from Lessor.

(b) If as to any Car, Lessor shall not be entitled under any circumstances (including any change in tax law) other than as set forth in paragraph (e) below to any portion or all of the maximum 10% investment credit presently allow-

able under Section 38(a) of the Internal Revenue Code of 1954, as amended, for property with a useful life of more than seven years on not less than the Rehabilitation Cost for such unit of Equipment, or if at any time Lessor shall lose, have recaptured or be deemed not to be entitled to any portion or all of said maximum investment credit on the Rehabilitation Cost for each such unit of Equipment under any circumstances (including any change in tax law) other than as set forth in such paragraph (e), then, Lessee shall pay Lessor, upon demand, the sum of (1) the amount of said maximum investment credit which Lessor shall have so lost, had recaptured or failed to receive; (2) the amount of any interest (net of any actual decrease in Federal income tax caused by any allowable deduction of such interest from taxable income) or penalties, including any additions to tax because of underpayment of estimated tax which may be assessed against Lessor in connection therewith; and (3) the amount of any taxes required to be paid by Lessor in respect of the receipt of amounts referred to in clauses (1) and (2) above and the receipt of amounts pursuant to this clause (3). If, at any subsequent time, Lessor shall be allowed and receive a refund with respect to any portion or all of said maximum investment credit which it lost, had recaptured or failed to receive at any time previous and for which payment had been made to Lessor by Lessee pursuant to this paragraph (b), then, promptly after receipt of said refund, Lessor shall pay Lessee the sum of (i) all amounts with respect to such allowance paid to Lessor by the Federal government (including refunds of investment credit, interest, and penalties and any additional interest paid to Lessor by the Federal government on such refunds) reduced by all taxes required to be paid by Lessor in respect of the receipt of such amounts from the Federal government, and (ii) the amount of any taxes saved by Lessor in respect of its payment to Lessee of amounts referred to in clause (i) above and its payment to Lessee of amounts pursuant to this clause (ii). Lessor agrees to use its best efforts to take the maximum investment credit to which it shall reasonably deem itself entitled with respect to the Cars on its Federal income tax return for the earliest possible year for which it can be taken.

(c) If Lessor, in computing its Federal taxable income or its taxable income for purposes of computing its liability to any state or local taxing authority in which the principal office of Lessor is located, for any part of the lease term of any unit of Equipment shall, under any circumstances (including any change in tax law) other than as set

forth in paragraph (e) below, lose the benefit of or the right to claim or there shall be disallowed or recaptured all or any portion of depreciation deductions for Federal, state or local income tax purposes for such unit of Equipment based on depreciation of Lessor's Cost of Cars for such unit over a depreciable life of 12 years to a gross salvage value of 10% which will be reduced by 10% of Lessor's Cost of Cars pursuant to Section 167(f) of the Code using, with respect to (i) Rehabilitation Cost, the double declining balance method of depreciation provided in Section 167(b)(2) of the Code and then changing to the sum-of-the-years digits method of depreciation provided in Section 167(b)(3) of the Code, all without the consent of the Commissioner, with the annual allowance determined without reduction for salvage and with the first year's depreciation deduction, as to Cars accepted and leased under this Lease on or prior to June 30, 1978, being maximized by the election of the "modified half-year convention" pursuant to Treasury Regulation Section 1.167(a)-11(c)(2) (as in effect on the date of execution of this Lease Agreement), and (ii) the Cars Acquisition Cost, the 150% declining balance method of depreciation and then changing to the straight-line method of depreciation provided in Section 167(b)(1) of the Code, with the annual allowance determined without reduction for salvage and with the first year's depreciation deduction, as to Cars accepted and leased under this Lease on or prior to June 30, 1978, being maximized by the election of the "modified half-year convention" pursuant to Treasury Regulation Section 1.167(a)-11(c)(2) (as in effect on the date of execution of this Lease Agreement), then Lessee shall pay Lessor on each rent payment date during the remaining lease term of such unit, as additional rent hereunder, an amount which, after deduction of all taxes required to be paid by Lessor in respect of the receipt thereof, shall be sufficient to yield to Lessor the same after-tax rate of return as of each rent payment date as would have been realized by Lessor in respect of this Lease Agreement if such loss, disallowance, or recapture of depreciation deductions or the right to claim the same had not occurred, which amount shall, if subsequent circumstances require, be thereafter adjusted (or further appropriate adjustments shall be made in respect thereof) when and to the extent necessary so that Lessor's after-tax rate of return as of each rent payment date shall be as aforesaid. In addition, Lessee shall also pay Lessor on demand, as additional rent hereunder, an amount which, after deduction of all taxes required to be paid by Lessor in respect of the receipt thereof, shall be equal to the amount of any interest (net of any actual decrease in Federal, state or local income tax caused by any allowable deduction of such interest from taxable income) or penalties, including any additions to tax because of underpayment of

estimated tax, which may be assessed against Lessor in connection with such loss, disallowance or recapture of depreciation deductions or the right to claim the same.

(d) In the event and to the extent that Lessor is required to include in its gross income for Federal income tax purposes the value of (i) any addition, modification or improvement to the Equipment made by Lessee, under and pursuant to the terms of this Lease Agreement or otherwise, which addition, modification or improvement is not readily removable without causing material damage to the Equipment, or (ii) any addition, modification or improvement made by Lessee under paragraph (c) of Section 9 of this Lease Agreement (all such additions, modifications or improvements described in this sentence being hereinafter called "alterations"), Lessee shall pay to Lessor on each of the dates provided in this Lease Agreement for payment of the installments of rental hereunder such additional rentals which, after deduction of all taxes required to be paid by Lessor on the receipt thereof under the laws of the United States or any political subdivision thereof and after taking into account any present or future tax benefits that Lessor reasonably anticipates it will derive from its additional investment in the Equipment (including without limitation any available current deduction, current and future depreciation deductions and investment credit), when taken together with the amount of any rental installments due on such dates under this Lease Agreement (but with appropriate adjustment on any such date for any such rental installment which for any reason shall not in fact be paid by the Lessee), shall be sufficient to yield to Lessor the same after-tax rate of return as of each rent payment date as would have been realized by Lessor in respect of this Lease Agreement if the value of any such alteration had not been includible in Lessor's gross income. The Stipulated Loss Values payable with respect to the Equipment shall be adjusted in amounts calculated in a similar such manner. In the event that Lessor is required to include in its gross income for Federal income tax purposes the value of any alterations, and Lessor has so notified Lessee, Lessee agrees to provide Lessor with a description of such alterations in reasonable detail and to specify the value thereof.

(e) Lessee shall not be required to pay Lessor the amounts provided for in paragraphs (b) and (c) above if the loss or disallowance of investment credit or depreciation deductions, as the case may be, or the right to claim the same, shall result from the occurrence of any of the follow-

ing events:

(i) Lessor shall fail to claim such investment credit or depreciation deductions in its income tax returns for the appropriate years or shall fail to follow the proper procedures in claiming such investment credit or depreciation deductions and such failure to claim or follow such procedures, as the case may be, shall preclude Lessor from claiming such investment credit or depreciation deductions;

(ii) Lessor shall not have sufficient income to benefit from such investment credit or depreciation deductions;

(iii) Lessor shall voluntarily transfer legal title to the Equipment (other than a transfer pursuant to Section 11(a) hereof) or Lessor shall dispose of or reduce its interest in such Equipment, if such transfer, disposal or reduction (A) shall be the direct cause of such loss, (B) shall occur at any time when no event of default has occurred and is continuing and (C) shall not be pursuant to the written consent of Lessee;

(iv) Lessor shall fail to take timely action in contesting a claim made by the Internal Revenue Service or any state or local taxing authority with respect to the disallowance of the investment credit or depreciation deductions pursuant to paragraph (f) below and the failure to take such action in a timely manner shall preclude all rights to contest such claim, unless Lessee shall agree to such failure; or

(v) Lessee shall have paid Lessor the Stipulated Loss Value of such unit of Equipment pursuant to Section 11(a) hereof.

(f) In the event a claim shall be made by the Internal Revenue Service or any state or local taxing authority which, if successful, would result in a loss of such investment credit or depreciation deductions under circumstances which would require Lessee to indemnify Lessor for such loss, Lessor hereby agrees to notify Lessee promptly of such claim, to not make payment of the tax claimed for at least 30 days after giving such notice, unless such payment or contest thereof is required by law or regulation to be made prior to the expiration of such 30-day period (in which

case Lessor shall notify Lessee of such shorter period) to give to Lessee any relevant information requested by it relating to such claim which may be particularly within the knowledge of Lessor and, if Lessee shall request within 30 days after the giving of such notice that such claim be contested, to take such action in connection with contesting such claim, including appropriate appeals from lower court decisions, as Lessee shall reasonably request in writing from time to time, but only if Lessee shall, contemporaneously with such initial request, have (i) made provision for Lessor's indemnification in a manner satisfactory to Lessor for any liability or loss which Lessor may from time to time incur as the result of contesting such claim and reimbursement for all costs and expenses, including legal fees and disbursements, which Lessor may incur in connection with the contesting of such claim and (ii) furnished Lessor with an opinion of tax counsel selected by Lessee and reasonably satisfactory to Lessor to the effect that a meritorious defense exists to such claim; provided, however, that at any time after having received such request from Lessee, Lessor, at its sole option, may forego any and all administrative appeals, proceedings, hearings and conferences with the Internal Revenue Service or any state or local taxing authority, as the case may be, in respect of such claim and may, at its sole option, either pay the tax claimed and sue for a refund in the appropriate United States District Court, the United States Court of Claims, or appropriate state court, as the case may be, as Lessor shall elect, or contest such claim in the United States Tax Court, or appropriate state court, as the case may be, considering, however, in good faith such request as Lessee shall make concerning the most appropriate forum in which to proceed.

(g) References in Section 13 and in paragraphs (b) through (f) of this Section 14 to Lessor shall be deemed to mean any affiliated group of which Lessor is a part which files a consolidated return for Federal income tax purposes, provided that only Lessor shall be obligated with respect to the covenants and duties therein expressed to be imposed on Lessor.

(h) All of the indemnities and agreements of Lessee contained in Section 13 and in this Section 14 shall survive and continue in full force and effect notwithstanding termination of this Lease Agreement or of the lease of any or all units of Equipment hereunder.

(i) Any payments required to be made by Lessee pursuant to this Section 14 as a result of a Change in Tax Law shall be reduced by all tax savings which have theretofore been, or in the current taxable year will be, realized by Lessor on account of any Change in Tax Law resulting in Federal income tax consequences to Lessor more favorable than the tax benefits presently existing on the date hereof.

(j) Any amount payable in accordance with this Section 14 shall be payable on Lessee's receipt of Lessor's invoice therefor. Each such invoice shall be accompanied by a detailed statement reflecting the calculation of amounts due hereunder from the head of the tax department of the Owner that he has examined Lessor's determination of the amount due and that, in his opinion, such amount due has been properly calculated pursuant to this Section 14.

15. RETURN OF EQUIPMENT

Upon final termination of the lease term hereunder of any unit of Equipment (other than a termination under Section 11(a)), Lessee shall forthwith deliver possession of such unit to Lessor, which unit shall be in the same condition as when received, ordinary wear and tear excepted, and shall meet the standards then in effect under the applicable rules of any governmental agency or other organization with jurisdiction over such unit and the applicable standards then in effect for such unit under the interchange rules of the Association of American Railroads, subject to Lessee's good faith contest, pursuant to Section 9(c) hereof, of the validity or application of any standard, law, regulation, requirement or rule, which contest is made in a reasonable manner and does not adversely affect the property or rights of Lessor. For the purpose of delivering possession of any unit or units to Lessor as above required, Lessee shall at its own cost, expense and risk:

(1) forthwith place such units upon such storage tracks of Lessee as Lessor reasonably may designate,

(2) permit Lessor to store such units on such tracks at the risk of Lessee until such units have been sold, leased or otherwise disposed of by Lessor, provided that Lessor agrees to pay Lessee's reasonable storage charges for any storage after 90 days, and

(3) transport the same to any place on the lines of railroad operated by it or any of its affiliates or to any connecting carrier for shipment, all as directed by Lessor.

The removal, assembling, delivery, storage (except as above provided) and transporting of the units as hereinbefore provided shall be at the expense and risk of Lessee and are of the essence of this Lease Agreement, and upon application to any court of equity having jurisdiction in the premises Lessor shall be entitled to a decree against Lessee requiring specific performance of the covenants of Lessee so to remove, assemble, deliver, store and transport the units. During any storage period, Lessee shall maintain insurance on the units of Equipment in accordance with Section 12 hereof and shall permit Lessor or any person designated by it, including the authorized representative or representatives of any prospective purchaser of any such unit, upon reasonable notice and at Lessor's risk to inspect the same; provided, however, that Lessee shall not be liable, except in the case of negligence of Lessee or of its employees or agents, for any injury to, or the death of, any person exercising, either on behalf of Lessor or any prospective purchaser, the rights of inspection granted under this sentence.

Without in any way limiting the obligation of Lessee under the foregoing provisions of this Section 15, Lessee hereby irrevocably appoints Lessor as the agent and attorney-in-fact of Lessee, with full power and authority, at any time while Lessee is obligated to deliver possession of any unit to Lessor, to demand and take possession of such unit in the name and on behalf of Lessee from whomsoever shall be in possession of such unit at the time.

16. FINANCIAL STATEMENTS

Lessee shall furnish or cause to be furnished to Lessor, (i) within 120 days after each fiscal year of Lessee, a copy of the annual audit report of Lessee and any consolidated subsidiaries, prepared on a consolidated basis and in conformity with generally accepted accounting principles (subject to conforming railroad qualifications) applied on a basis consistent with that of the preceding year, and signed by nationally recognized independent certified public accountants, (ii) within 120 days after each fiscal year of Lessee, a copy of the ICC Rail Form R1 of Lessee for such year,

prepared on an unconsolidated basis and in conformity with the Uniform System of Accounts for Railroad Companies prescribed by the ICC applied on a basis consistent with that of the preceding fiscal year, and signed by a proper accounting officer of the Lessee, (iii) within 60 days after each quarter (except the last quarter) of each fiscal year of Lessee, a copy of its unaudited unconsolidated financial statement, prepared in conformity with the Uniform System of Accounts for Railroad Companies prescribed by the ICC and consisting of at least a balance sheet as at the close of such quarter and a profit and loss statement and analysis of surplus for such quarter and for the period from the beginning of such fiscal year to the close of such quarter, and signed by a proper accounting officer of Lessee, (iv) with the annual audit report each year, a certificate of a responsible officer of Lessee to the effect that, except as otherwise specified therein, (x) all units of Equipment are in existence and in good and efficient condition and have been marked as required by paragraph (e) of Section 9 hereof, and (y) no event of default, or event which might mature into an event of default, has occurred and is continuing under this Lease Agreement, and (v) from time to time, such other information as Lessor may reasonably request.

17. EVENTS OF DEFAULT

(a) The following shall be events of default hereunder:

(i) default, and continuance thereof for 15 days, in the payment of any rent or other amount hereunder;

(ii) default in the performance of any of Lessee's agreements herein set forth (and not constituting an event of default under the preceding clause of this paragraph (a)) and continuance of such default for 30 days after notice thereof from Lessor to Lessee;

(iii) any representation or warranty except for Lessee's representations in Sections 8(i) and 8(j) hereof made by Lessee in this Lease Agreement is untrue in any material respect, or any statement, report, schedule, notice or other writing furnished by Lessee to Lessor in connection herewith is untrue in any material respect on the date as of which the facts set forth are stated or certified;

(iv) a petition for reorganization under Section 77 of the Bankruptcy Act, as now constituted or as said Section 77 may hereafter be amended, shall be filed by or against Lessee and, unless such petition shall have been dismissed, nullified, stayed or otherwise rendered ineffective (but then only so long as such stay shall continue in force or such ineffectiveness shall continue), all the obligations of Lessee under this Lease Agreement shall not have been and shall not continue to have been duly assumed in writing, pursuant to a court order or decree, by a trustee or trustees appointed (whether or not subject to ratification) in such proceedings in such manner that such obligations shall have the same status as obligations incurred by such trustee or trustees, within 30 days after such appointment, if any, or 60 days after such petition shall have been filed, whichever shall be earlier; or

(v) any other proceedings shall be commenced by or against Lessee for any relief which includes, or might result in, any modification of the obligations of Lessee hereunder under any bankruptcy or insolvency laws, or laws relating to the relief of debtors, readjustments of indebtedness, reorganizations, arrangements, compositions or extensions (other than a law which does not permit any readjustments of the obligations of Lessee hereunder), and, unless such proceedings shall have been dismissed, nullified, stayed or otherwise rendered ineffective (but then only so long as such stay shall continue in force or such ineffectiveness shall continue), all the obligations of Lessee under this Lease Agreement shall not have been and shall not continue to have been duly assumed in writing, pursuant to a court order or decree, by a trustee or trustees or receiver or receivers appointed (whether or not subject to ratification) for Lessee or for the property of Lessee in connection with any such proceedings in such manner that such obligations shall have the same status as obligations incurred by such a trustee or trustees or receiver or receivers, within 30 days after such appointment, if any, or 60 days after such proceedings shall have been commenced, whichever shall be earlier.

When used herein, unless the context otherwise requires, the term "event of default" shall mean any event described in the foregoing clauses (i) through (v) and the term "event which might mature into an event of default" shall mean any event

which with the lapse of time, or with notice to Lessee and lapse of time, would constitute an event of default. Lessee shall give Lessor prompt notice of any event of default or of any event which might mature into an event of default.

(b) Upon the happening of an event of default, Lessor shall (except to the extent otherwise required by law) be entitled to:

(1) proceed by appropriate court action or actions to enforce performance by Lessee of the applicable covenants and terms of this Lease Agreement or to recover damages for the breach thereof;

(2) repossess any or all units of Equipment without prejudice to any remedy or claim hereinafter referred to;

(3) elect to sell any or all units of Equipment, after giving 30 days' notice to Lessee, at one or more public or private sales and recover from Lessee as liquidated damages for Lessee's default hereunder an amount equal to the amount, if any, by which (A) the sum of (i) the aggregate Stipulated Loss Value of such units of Equipment on the date such notice is given, (ii) all rent owing hereunder to and including the rent payment date immediately preceding the date such notice is given, (iii) all costs and expenses incurred in searching for, taking, removing, keeping, storing, repairing, restoring and selling such units of Equipment, (iv) all other amounts owing by Lessee hereunder, whether as additional rent, indemnification or otherwise, and (v) all costs and expenses, including (without limitation) reasonable legal fees and expenses, incurred by Lessor as a result of Lessee's default hereunder, exceeds (B) the amount received by Lessor upon such public or private sales of such units of Equipment;

(4) upon notice to Lessee receive prompt payment from Lessee of an amount equal to the aggregate Stipulated Loss Value on the date such notice is given of all units of Equipment which have not been sold by Lessor pursuant to clause (3) above plus, to the extent not otherwise recovered from Lessee pursuant to said clause (3) above, (i) any rent and other amounts owing hereunder to and including the rent payment date immediately preceding the date such notice is given, (ii) all costs

and expenses incurred in searching for, taking, removing, keeping, storing, repairing and restoring such units of Equipment, and (iii) all other amounts owing by Lessee hereunder, whether as additional rent, indemnification or otherwise, and (iv) all costs and expenses, including (without limitation) reasonable legal fees and expenses, incurred by Lessor as a result of Lessee's default hereunder; provided that upon receipt of payment in full of such amount, Lessor shall transfer to Lessee, without any representation or warranty of any kind, express or implied whatever title to such units of Equipment it may have;

(5) by notice to Lessee, declare this Lease Agreement terminated without prejudice to Lessor's rights in respect of obligations then accrued and remaining unsatisfied; or

(6) avail itself of any other remedy or remedies provided for by any statute or otherwise available at law, in equity, or in bankruptcy or insolvency proceedings.

The remedies herein set forth or referred to shall be cumulative. The references to additional rent in clauses (3) and (4) of this paragraph (b) shall each include, without limitation, interest at the applicable rate specified, in the first paragraph of Section 4, to the date of receipt by Lessor of the amount payable under said clause, on instalments of rent owing hereunder to and including the rent payment date immediately preceding the date on which notice is given under said clause, from the respective due dates of such instalments, and interest on all other costs, expenses and losses for which Lessor is entitled to payment under said clause from the respective dates incurred by Lessor.

18. SUBLEASE, ASSIGNMENT, MERGER, ETC. BY LESSEE

(a) So long as Lessee shall not be in default under this Lease Agreement, Lessee shall be entitled to the possession and use of the units of Equipment in accordance with the terms of this Lease Agreement, but, without the prior written consent of Lessor, Lessee shall not assign, transfer or sublet its leasehold interest under this Lease Agreement in the units or any of them. Lessee shall not, without the prior written consent of Lessor, part with the

possession or control of, or suffer or allow to pass out of its possession or control, any of the units, except to the extent permitted by the provisions of paragraph (b) below.

(b) So long as Lessee shall not be in default under this Lease Agreement, Lessee shall be entitled to the possession of the units and to the use thereof upon its lines of railroad or upon the lines of any affiliate or upon lines of railroad over which Lessee has trackage or other operating rights or over which railroad equipment of Lessee is regularly operated pursuant to contract, and also to permit the use of the units upon other railroads in the usual interchange of traffic, if customary at the time, but only upon and subject to all the terms and conditions of this Lease Agreement. Lessee may receive and retain compensation for such use from other railroads so using any of the Cars. Lessee agrees that during the term of this Lease Agreement Lessee will use its best efforts to prevent the use of any Car outside the United States of America. No assignment, sublease or interchange entered into by Lessee hereunder shall relieve Lessee of any liability or obligations hereunder which shall be and remain those of a principal and not a surety.

(c) Nothing in this Section 18 shall be deemed to restrict the right of Lessee to assign or transfer its leasehold interest under this Lease Agreement in the Equipment or possession of the Equipment to any corporation (which shall have expressly assumed in writing the due and punctual payment and performance of all obligations hereunder of Lessee) into or with which Lessee shall have become merged or consolidated or which shall have acquired the property of Lessee as an entirety or substantially as an entirety.

19. ASSIGNMENT BY LESSOR

Lessor and any direct or remote assignee of any right, title or interest of Lessor hereunder shall have the right at any time or from time to time to assign part or all of its right, title and interest in and to this Lease Agreement. Without limiting the foregoing, Lessor and any such assignee shall have the right at any time or from time to time to transfer its right title and interest, subject to Lessee's rights under this Lease Agreement and subject to the provisions of Section 14(e)(iii), in and to any unit or units of Equipment.

Lessor may obtain financing through a financial institution and secure such financial institution ("Secured Party") by granting a security interest or other lien on any or all of the Equipment, this Lease Agreement and sums due under this Lease Agreement. In such event (a) the security agreement or lien instrument will specifically provide that it is subject to Lessee's rights as herein provided; (b) such assignment of this Lease Agreement will not relieve Lessor from its obligations hereunder or be construed to be an assumption by Secured Party of such obligations (but Secured Party may perform, at its option, some or all of Lessor's obligations); (c) upon request by Secured Party, Lessee will make all payments of rental and other amounts due hereunder directly to Secured Party; (d) Lessee's obligations hereunder, including (without limitation) its obligation to pay rent and other amounts due hereunder, shall not be subject to any reduction, abatement, defense, set-off, counterclaim or recoupment for any reason whatsoever, which, however, shall not prevent Lessee from asserting any claim separately against Lessor; and (e) Lessee will not, after obtaining knowledge of any such assignment, consent to any modification of this Lease Agreement without the consent of Secured Party.

20. LESSOR'S RIGHT TO PERFORM

If Lessee fails to make any payments required by this Lease Agreement, or to perform any of its other agreements contained herein, Lessor may itself, but shall not be required to, make any such payments or perform any such obligations. The amount of any such payment and Lessor's expenses, including (without limitation) reasonable legal fees and expenses in connection therewith and with such performance, shall thereupon be and become payable by Lessee to Lessor upon demand as additional rent hereunder.

21. RECORDING; FURTHER ASSURANCES

Lessee will, at its expense, cause this Lease Agreement and any assignment hereof to be filed and recorded with the Interstate Commerce Commission in accordance with Section 20c of the Interstate Commerce Act prior to the delivery and acceptance hereunder of any unit of Equipment. Lessee will from time to time do and perform any other act and will execute, acknowledge, deliver, file, register, record and deposit (and will refile, re-register, re-record

or redeposit whenever required) any and all further instruments required by law or reasonably requested by Lessor for the purpose of proper protection, to Lessor's satisfaction, of Lessor's interest in the units, or for the purpose of carrying out the intention of this Lease Agreement or the assignment thereof by Lessor; and Lessee will promptly furnish to Lessor evidences of all such filing, registering, recording or depositing, and an opinion or opinions of counsel for Lessee with respect thereto satisfactory to Lessor.

22. FIRST REFUSAL OPTION

Unless an event of default shall have occurred and be continuing at the end of the term of this Lease Agreement, or any event which might mature into an event of default shall have occurred and be continuing at such time, Lessor shall not, at or following the end of the term of this Lease Agreement, sell any unit (including any sale prior to the end of such term for delivery of such unit at or following the end of such term) unless:

(a) Lessor shall have received from a responsible purchaser a bona fide offer in writing to purchase such unit;

(b) Lessor shall have given Lessee notice (i) setting forth in detail the identity of such purchaser, the proposed purchase price, the proposed date of purchase and all other material terms and conditions of such purchase, and (ii) offering to sell such unit to Lessee upon the same terms and conditions as those set forth in such notice; and

(c) Lessee shall not have notified Lessor, within 20 days following receipt of such notice, of its election to purchase such unit upon such terms and conditions.

If Lessee shall not have so elected to purchase such unit, Lessor may at any time sell such unit to any party at a price and upon other terms and conditions no less favorable to Lessor than those specified in such notice.

Upon payment of the purchase price of any unit, Lessor shall upon request of Lessee execute and deliver to Lessee, or to Lessee's assignee or nominee, a bill of sale

(without warranties) for such unit such as will transfer to Lessee such title to such unit as Lessor derived from the Vendor, free and clear of all liens, security interests and other encumbrances arising through Lessor.

23. RENEWAL OPTION

Lessee shall have an option to renew for a maximum of two (2) 2-year periods the lease term of all of the Cars then under lease provided no event of default or event which might mature into an event of default has occurred and is then continuing immediately prior to the commencement of the renewal term then being elected by Lessee. If Lessee desires to exercise such option to renew, it shall give Lessor written notice of its election to renew at least 90 days (and not more than 180 days) prior to the commencement of the renewal term then being elected stating Lessee's opinion as to the fair market rental value for the Equipment to be leased during such renewal term, and upon the expiration of the then current term the lease of such Equipment shall be renewed for such renewal term at the fair market rental value as hereinafter provided. A determination shall be made of the fair market rental value of the Equipment as of the date of the expiration of such current term. If Lessee and Lessor are unable to agree upon such fair market rental value within 30 days after receipt by Lessor of such notice, such fair market rental value shall be determined by an independent appraiser selected by mutual agreement of Lessor and Lessee. The fee of such appraiser shall be paid by Lessee. All of the provisions of the Lease shall be applicable during any such renewal term except for the amount of each instalment of rent which shall be as hereinafter provided. "Lease term" as used in the Lease shall, except where the context otherwise requires, be deemed to include any such renewal term.

24. CERTAIN DEFINITIONS

(iv) Lessee shall have furnished to Lessor, in form and substance satisfactory to Lessor, the following on or prior to such date hereunder:

(1) Lessee is a corporation duly organized and existing in good standing under the laws of the State of Delaware;

(2) Lessee is duly authorized to execute and deliver the Hulk Purchase Agreement and this Lease Agreement, and is duly authorized to lease Equipment hereunder and to perform its obligations hereunder and thereunder;

(3) the execution and delivery of the Hulk Purchase Agreement and this Lease Agreement by Lessee, and the performance by Lessee of its obligations hereunder and thereunder, do not and will not conflict with any provision of law or of the charter or by-laws of Lessee or of any indenture, mortgage, deed of trust or agreement or instrument binding upon Lessee or to which Lessee is a party;

(4) the execution, delivery and performance of the Hulk Purchase Agreement and this Lease Agreement by Lessee and the consummation by Lessee of the transactions contemplated hereby and thereby do not require the consent, approval or authorization of, or notice to, any Federal or state governmental authority or public regulatory body;

(b) Although not a condition to Lessor's obligations hereunder, Lessee agrees to furnish to Lessor, in form and substance satisfactory to Lessor, the following on or prior to the date of each requested payment pursuant to Section 5 hereof:

(i) an invoice covering the units of Equipment for which such payment is requested;

(iii) a Certificate of Acceptance of Lessee covering the units of Equipment for which such payment is requested; and

(iv) such other releases, financing statements, waivers and other documents as Lessor may reasonably request to insure that the Equipment will not be subject to any lien, charge, encumbrance, security interest or other similar interest.

26. MISCELLANEOUS

(a) Any provision in this Lease Agreement that Lessee shall take any action shall require Lessee to do so at its sole cost and expense.

(c) If this Lease Agreement or any provision hereof shall be deemed invalid, illegal, or unenforceable in any respect or in any jurisdiction, the validity, legality and enforceability of this Lease Agreement in other respects and other jurisdictions shall not be in any way impaired or affected thereby. Each of the parties hereto acknowledges that the other party shall not by act, delay, omission or otherwise be deemed to have waived any of its rights or remedies under this Lease Agreement unless such waiver is in writing, and such writing shall be binding only to the extent therein provided and only upon the party signing it. A waiver on any one occasion shall not be construed as a waiver on any future occasion. Without limiting the foregoing, Lessor's rights and Lessee's duties shall in no way be affected by Lessor's inspection of, or failure to inspect, the Equipment or any of the documents referred to in this Lease Agreement or by Lessor's failure to inform Lessee of any failure to comply with any of Lessee's obligations under this Lease Agreement. Lessee hereby waives any right to assert that Lessor cannot enforce this Lease Agreement or that this Lease Agreement is invalid because of any failure

of Lessor to qualify to do business in any jurisdiction. This Lease Agreement has been delivered for acceptance by Lessee in Chicago, Illinois, shall be governed by the laws of the State of Illinois, shall be binding upon Lessor and Lessee and their respective successors and assigns, and shall inure to the benefit of Lessor and Lessee and the successors and assigns of Lessor.

It is expressly understood and agreed by and between the parties hereto, anything in this Lease Agreement to the contrary notwithstanding, that each and all of the representations, undertakings and agreements herein made on the part of the Lessor are each and every one of them made and intended not as personal representations, undertakings and agreements by The Connecticut Bank and Trust Company or for the purpose or with the intention of binding the said bank personally but are made and intended for the purpose of binding only the Trust Estate as such term is used in the Trust Agreement, and this Lease Agreement is executed and delivered by the said bank solely in the exercise of the powers expressly conferred upon the said bank as trustee under the Trust Agreement; and that no personal liability or personal responsibility is assumed by or shall at any time be

asserted or enforceable against the said bank (except for the wilful misconduct or gross negligence of said bank), all such personal liability, if any being expressly waived and released by the Lessee and by all persons claiming by, through or under the Lessee; provided, however, that the Lessee or any person claiming by, through or under the Lessee, making claim hereunder, may look to said Trust Estate for satisfaction of the same.
